## 4 Garden rules

1. Plots must be planted by June 1 and kept free of weeds through the season.
2. No chemical pesticides or herbicides. Organic methods only.
3. Water is available from April 15 to October 15. Turn taps off after use.
4. Paths between plots are shared: keep them clear and mow your half.
5. Each plotholder gives four hours a season to common areas.
6. Plots left untended for four weeks may be reassigned after one written warning.
7. Children are welcome when supervised. Dogs on a leash only.

☐ I have read the garden rules and agree to follow them.
